

[University of Technology Sydney](#) is the WWViews Australian partner for WWViews International. The University is also the major sponsor of the Australian event.

The University of Technology Sydney is internationally recognised as delivering research which is at the cutting edge of creativity and technology. This event is providing social research linked to policy on an issue that is recognised as critical by a majority of Australians. UTS thanks the following for their generous support of the World Wide Views Event:

Platinum Sponsor:

- [PricewaterhouseCoopers](#)

Supporting sponsors:

- [National Australia Bank](#)
- [World Wide Fund for Nature \(WWF\)](#)
- [Victorian Department of Sustainability and Environment \(DSE\)](#)

Read [statements of support](#) from our sponsors, as well as letters of endorsement from politicians.

With thanks to the following:

- AGL Energy Limited, [for providing participant travel offsets](#)
- Novotel Darling Harbour
- Ibis King Street Wharf
- Auspoll
- Rod Quantock
- The Ultimate Florist – Sydney Institute of TAFE
